PROFESSIONAL EXPERIENCE

Lead Product Manager / Staff Product Manager

Yassir — Berlin, Germany | Oct 2024 – Present (1 yr 6 mos)

- **Product Strategy & Ownership:** Own and scale the product roadmap for the Grocery vertical, encompassing darkstore infrastructure, 3P marketplace, and consumer touchpoints across North Africa and the Middle East.
- **Subscription & Retention (Yassir+):** Led the product strategy for Yassir+ Grocery — a subscription-based loyalty programme designed to hook customers to the Grocery service based on their needs, increase repeat order frequency, and drive long-term retention through personalised benefits and engagement mechanics.
- **Cross-Functional Leadership:** Lead cross-functional teams across Operations, Data, Engineering, Design, and Marketing to align strategic priorities, unblock continuous delivery, and establish robust feedback loops.
- **Conversion & UX Optimization:** Spearhead A/B testing and UX initiatives to enhance discoverability and end-to-end ordering experience, leveraging product analytics (GA4, Firebase) to drive iterative improvements.
- **Agile Execution & Team Enablement:** Mentor junior Product Managers, facilitate Agile ceremonies (Sprint Planning, Retrospectives), and champion structured product discovery and user research frameworks.

Sr. AI Product Manager (Advisory)

Simply Expert — United Kingdom | Dec 2023 – Mar 2026 (2 yrs 4 mos)

- **End-to-End Product Lifecycle:** Directed the full product lifecycle for multiple 0-to-1 AI-native initiatives, from continuous discovery and ideation to MVP delivery and iterative scaling.
- **MVP Scoping & Validation:** Translated complex business requirements into validated product concepts through structured MVP development cycles, accelerating time-to-market for AI products (AI Role Player, Prompt-to-App Builder, Genie Bot, AI PM Assistant).
- **Stakeholder Management & GTM:** Acted as the primary liaison between engineering teams and business stakeholders; collaborated with sales and design to define GTM strategies and feedback loops.

Sr. Product Manager

WeekOne — Berlin, Germany | Nov 2023 – Oct 2025 (2 yrs)

- **Customer Experience & Retention:** Managed critical stages of customer engagement — activation, onboarding, and proactive communication — to drive user retention and long-term satisfaction.
- **Scalable Growth:** Successfully onboarded key enterprise clients, establishing a scalable foundation for growth and building a strong base for long-term customer advocacy.

Senior Product Manager

everstox — Munich, Germany | Sep 2022 – Nov 2023 (1 yr 3 mos)

- **Supply Chain & Inventory Management:** Owned the API-first product strategy for the inbound logistics cycle and inventory management system, ensuring system stability and scalability for e-commerce merchants.
- **E-Commerce Platform Integrations:** Managed deep integrations with leading e-commerce platforms including **Shopify**, **WooCommerce**, and headless commerce architectures — connecting merchant storefronts to the everstox fulfilment engine via API, ensuring reliable order and inventory data sync across platforms.
- **Agile Leadership & Discovery:** Led a dedicated Scrum team to deploy pivotal features, achieving quarterly OKRs; implemented the "Opportunity Solution Tree" framework for data-driven decision-making.
- **Process Innovation:** Introduced a tailored continuous delivery process, optimizing the ticket-to-delivery workflow and enhancing transparent stakeholder communication.

Founder & Lead Product Manager (acting CPO)

GetHalal — Berlin, Germany | Sep 2020 – Jul 2022 (1 yr 11 mos)

- **Product Launch & Scaling:** Bootstrapped and launched the e-grocery platform, validating the business model and securing 6-digit pre-seed funding from international VCs and angel investors.
- **E-Commerce Platform Progression:** Migrated the platform across three architectures — starting on **WooCommerce**, scaling to **Shopify**, then transitioning to a **headless commerce** stack — managing the full technical and product evolution at each stage.
- **Customer-Facing CRO & Experimentation:** Owned the customer-facing product experience end-to-end, running data-driven **A/B testing** and **CRO** initiatives across acquisition, onboarding, and checkout flows — continuously optimising conversion rates and reducing drop-off through structured experimentation.
- **Subscription & Retention:** Designed and managed a **subscription model across 3 distinct customer segments**, tailoring pricing, packaging, and value propositions per segment to drive recurring revenue, reduce churn, and increase customer lifetime value.
- **Team Building & Metrics-Driven Growth:** Built and led an Agile product and data team, driving **151% growth in customer acquisition**, **95% revenue growth**, and **2.5 orders/customer/month** retention.

Senior Product Manager / Product Manager

Flightright — Berlin, Germany | Jan 2018 – Sep 2021 (3 yrs 9 mos)

- **A/B Testing & Analytics:** Intensively A/B tested new product features and conducted detailed funnel analysis using Google Analytics and Tableau to optimize user journeys and conversion rates.
- **Business Case Development & Agile Ownership:** Built comprehensive business cases to evaluate the economic viability of major features; acted as Product Owner within the Scrum framework, driving backlog refinement and user testing.

Co-Founder & Product Manager (exit)

Noory Books — United Kingdom | Oct 2017 – Oct 2020 (3 yrs 1 mo)

- **Product Strategy & Acquisition:** Scaled the kids' literature platform from zero to over **3,000 paid subscribers** within two years by optimizing the acquisition funnel, onboarding process, and payment flows.
- **User Research & Analytics:** Conducted user interviews, surveys, and prototyping to validate product-market fit; leveraged Mixpanel for deep funnel analysis and data-driven feature prioritization.
